Internship Milestone Review

Intern Huy Phan | 2025

Agenda

1. Introduction

2. Objectives

3. Work Accomplished

4. Achievements

5. Challenges & Solutions

6. Conclusion & Q&A

Introduction

Intern Huy Phan | 2025

Objectives

Intern Huy Phan | 2025

Objectives

- **Technical:** apply real-world knowledge (DB, MVC, DI, Testing...).

- **Soft Skills:** communication, critical thinking, time management, AI adoption.

- **Outside Activities:** networking, cultural exploration.

Work Accomplished

Intern Huy Phan | 2025

Work Accomplished - Technical

- UI Analysis → Database Design.

- Build MVC & DI from scratch.

- Performance optimization for production.

- Unit Testing (Google Drive, MVC, DI).

- Studied 4 Design Patterns. (Singelton, Abtract Factory, Method Factory, Builder)

Work Accomplished - Soft Skills

- Critical Thinking & Decision Making.

- Effective Communication & Smart Questioning.

- Problem Solving & Time Management.

- English Club

- How to Work with AI.

Work Accomplished - Outside Activities

bbv

- Sightseeing at Post Office & History Museum.

- Conversations, interviews, and photos with foreigners.
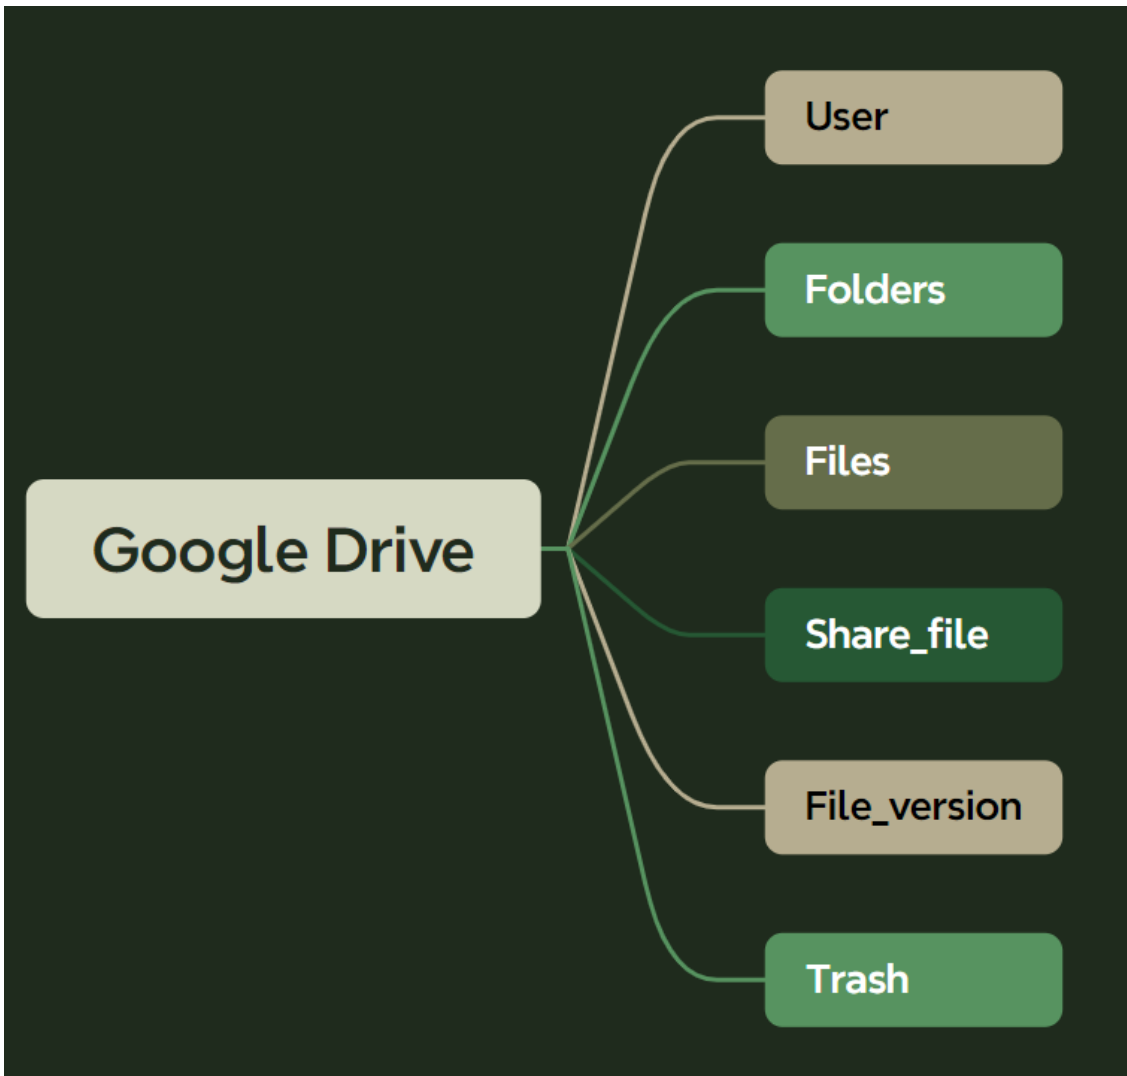

Achievements

Achievements – Technical Before and After receiving feedback

Before

After

Achievements - Soft Skills

- Critical Thinking & Decision Making.

- Effective Communication & Smart Questioning.

- Problem Solving & Time Management.

- English Club

- How to Work with AI.

Achievements - Outside Activities

bbv

- Sightseeing at Post Office & History Museum.

- Conversations, interviews, and photos with foreigners.

Challenges & Solutions

Intern Huy Phan | 2025

Challenges & Solutions

Challenge	Solution
Database design based on UI	Mentor guidance + self-learning.
Writing Unit Tests for the first time	Reviews + practice.

Conclusion & Q&A

Intern Huy Phan | 2025
